

Depression & Suicide

Among Missouri High School Students

"Depression is one of the leading causes of suicide."

-Missouri Department of Mental Health

If you, or someone you know struggles with depression:

- Reach out to a close friend or loved one.
- Get help from a healthcare provider.
- Call **1-800-273-TALK (8255)** to reach a 24-hour crisis center or dial 911.
